Rugbytots Summer Term After School Club

Dear Parent/Guardian,

Rugbytots sessions will be running at **Deanery C of E Primary School** on **Mondays** for children in **RECEPTION, Year 1 and 2** during for the Spring term. **PLEASE NOTE THAT 2 COACHES WILL BE PRESENT AND RECEPTION CHILDREN WILL PARTICIPATE SEPARATELY TO THE Y1/2 PUPILS WHERE NECESSARY.**

If you would like your child to attend the sessions, please visit www.rugbytots.co.uk/Class/Find to sign them up. Simply search 'Sutton Coldfield' and select '**Deanery Primary After School Club (Deanery Pupils only)**' then follow the instructions from there. If you have any problems, contact Matt (See details below).

Payments are taken through the website only.

Classes can book up quickly but if they are full, please sign up to the **waiting list**. By doing so, you will be made aware, via email, if spaces become available and when future classes will be running.

***IF YOUR CHILD ATTENDS FOXES AFTER SCHOOL CLUB, PLEASE MAKE THEM AWARE THAT YOUR CHILD WILL BE ATTENDING RUGBYTOTS.**

*Please note, that when you book your child onto Summer 1, you will automatically be reserved a space in the Summer 2 class. To pay for this, simply log into your 'parent area', go to 'your classes' and there you can make payment. As the space is reserved, you can make payment for the second block at a later date (Deadline: End of April 2023)

What will my child need to wear?

- Spare kit that is comfortable and easy to move around in.
- Suitable footwear (trainers).

Our after school clubs offer the chance to learn the basic skills involved with rugby – skills that are transferable to other sports and activities.

What's more, in addition to developing children's agility and co-ordination, Rugbytots helps to enhance confidence and self-esteem. The development of better listening skills and teamwork all play an important part too.

Please note that you will **not** be required to buy a welcome pack as suggested on the website. This is only for our community classes and after school clubs are exempt.

After-school has never been so much fun!

At our popular after-school coding sessions you will design games, jam-packed with awesome features including, zombies, invisibility cloaks, and so much more. And then the real fun begins, as we use coding and logic, from drag and drop to JavaScript, to connect all the elements and bring the games to life!
