What's new...

New Year's Resolution #1:

Be More Awesome than last year.

Shout out for your old games...

We need more board games especially for the older children to enjoy. If you have any that you no longer play please drop them in.

Chill zone: Year 5 and Year 6 now have their own area in Foxes. This is a chill out space which will be open most afternoon sessions for the older children to enjoy, and maybe even do some homework.

Welcome Back!

New toys: We now have lots of new toys including cars and 'Bob the Builder' trucks as well as another lovely dolls house and a wonderful play kitchen which is proving to be a great hit with everyone.

Well done to Year 5 & 6 who were winners of the 'Pasta Reward Jar' for last half term.

Activities this half term include:

- Origami
- Weaving
- 3D construction
- Build-a-pet
- Pet Tally
- Circus
- Valentines
- Lunar New Year

Thank you so much for your generous donations to Foxes club. We are pretty much well stocked for large toys this half term. The children and staff really appreciate all your kind contributions.

Thanks from the staff for all the lovely chocolates, cakes and biscuits sent in at christmas.

With the winter mornings and evenings being dark, we ask that parents/carers are mindful of children crossing between cars at drop off and pick times. May we also draw your attention to the dropped kerb at the front of Foxes which needs to be accessible at all times. Thank you for your cooperation.
