We would like to say a massive *Foxes Thank You* to staff member Sue-Anne and her friends who donated some marvellous "Our Generation" toys including a cinema, classroom and camper van. Together with lots of shopkins characters and accessories, which are already proving to be a hit.

Parents have asked why we send some snacks home with a note explaining why they cannot have these items in Foxes.

The reason is we have a few children with special dietary needs. This means we ask parents not to pack unlabelled food as we may be unable to ascertain whether these items contain allergens which could be unsafe for those who have hypersensitivity to certain foods.

Foxes also caters for under 5's, so we also ask that parents help us to reduce the risk of choking by:

- removing any stones and pips from fruit
- cut small round foods, like grapes, strawberries and cherry tomatoes into quarters
- do not give nuts, seeds or popcorn as a snack
- do not give children sweets

For more information please follow the link below to the government's Food Safety guidance which we at Foxes follow.
