# Faith

Welcome to Deanery Church of England Primary School. We hope you find this prospectus a useful and informative introduction to our school. We aim to provide the very best start in education for children aged 3 to 11.

We believe that education, strengthened by our faith, is the vehicle through which children can achieve their full potential. As a Church school, our ethos is firmly grounded on the Christian values of love, peace, grace, hope, joy and faith.

*“It’s a Christian school where we all work together as a team”*

Children are encouraged to be polite, respectful and considerate to each other. Ofsted described our children’s behaviour and attitudes to learning as outstanding.

Deanery provides children with a welcoming, stimulating environment, where a wide range of opportunities are available to prepare our confident learners for their next steps in education.

*“Deanery is a place with Jesus at its heart”*

Teacher

The school curriculum is carefully designed to inspire and engage learners of all ages and stages in their primary years. We enhance the curriculum with a wide range of activities, including sport, dance, drama and cooking, promoting healthy lifestyles, developing team spirit and inclusivity.

Invited speakers, trips, residential visits, musical events and competitions all contribute to an inspiring Deanery curriculum, which prepares children to value themselves and have high aspirations for their future.

*“There are lots of  
opportunities and things to  
do. The trips and visitors are  
always interesting. We learn  
a lot but still have fun”*

# Community

A sense of family and community is central to everything we do at Deanery. We teach our children to recognise the role that they and others play within our school, our community and the wider world.

The security and confidence felt by our children is reflected in the high standards they achieve in their learning and the progress they make across the school.

When our children move on to secondary school, they take with them a love of learning, confidence in voicing their opinions and sense of respect for themselves and their community. This equips them to tackle the challenges and celebrate the triumphs ahead.

Children flourish as a result of the educational experience we offer, enriched morally and spiritually through partnerships with staff, governors, parents, the local community and parishes of the Deanery and The Church of England, Birmingham.

*“A wonderful school with a team of outstanding teachers who really care about all of the children”*
